Dear Pastor and Congregation,

It is my pleasure to introduce you to a significant ministry in our area. **The Trinity Tribesmen** have a unique ministry that brings hope and help to area individuals and families by meeting their practical needs for clothing, household goods, appliances, toys and more. As a Christian, non-profit organization located S.E. of Butler, MO; **The Trinity Tribesmen** serve people throughout West Central Missouri and East Central Kansas, as well as through other outreaches in the US.

I have worked personally in several ministry projects with **The Trinity Tribesmen** for over a year. In that time I have watched their dedication to serve people, regardless of cost or convenience. The uniqueness of the ministry, combined with their local impact on the people we, as churches and ministries, seek to serve, make this ministry worthy of your prayer and consideration. I highly recommend you consider how you might cooperate with **The Trinity Tribesmen** in a local outreach effort; and consider them for ongoing ministry support.

Following Jesus' example, **The Trinity Tribesmen** seek to meet the emotional, physical and spiritual needs of the people they serve. As they distribute clothes, furniture, household goods, toys and more, they give away Bibles and offer to pray with each family as the Lord leads. Jesus often met physical or emotional needs as a doorway to present the love and mercy of God bringing hope to the hopeless. Everything is given free of charge and without obligation. They WILL NOT ask for donations from the people they give items to.

This ministry operates in a variety of ways:

- People with specific needs can call **The Trinity Tribesmen** to request specific items
- The "Mobile Clothes Closet" is a semi trailer set up as a rolling distribution store. It contains men's, women's and children's' clothing, shoes, coats and more. The Mobile Clothes Closet can be brought to your town for a cooperative effort with your church or organization. It is self-contained and ready for "business" by opening the back doors.
- The Trinity Tribesmen also work with local community organizations, such as food pantries to provide free distribution of items when people pick up food.
- In response to disasters, such as fires, floods and tornados. **The Trinity Tribesmen** are able to immediately provide clothing and other needed items to help a family feel hope and normalcy quickly.

If you have questions about this ministry I invite you to contact me at once.
